

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE FACULTY OF ASSOCIATED MEDICAL SCIENCES,  
CHIANG MAI UNIVERSITY (THAILAND)  
AND  
THE GRADUATE SCHOOL OF HUMAN HEALTH SCIENCES AND THE FACULTY  
OF HEALTH SCIENCES,  
TOKYO METROPOLITAN UNIVERSITY (JAPAN)**

The Faculty of Associated Medical Sciences, Chiang Mai University in Thailand and the Graduate School of Human Health Sciences and the Faculty of Health Sciences, Tokyo Metropolitan University in Japan wish to enter into the following Memorandum of Understanding (this 'MOU') with the objective of promoting academic cooperation and exchanges, based upon the principles of mutual equality and reciprocity of benefits, between the two institutions.

**I. Scope of Cooperation and Exchanges**

**A. Exchange of Academic Staff**

Each institution may receive members of the academic staff of the other institution to give lectures, to engage in joint or individual research, or for other educational purposes.

**B. Cooperation in Research**

Both institutions shall strive to cooperate in research by exploring means of promoting symposia, research conferences, the exchange of academic information, the publication of research, and the collection and sharing of research materials and data.

**C. Other Exchanges**

The institutions shall strive to cooperate in any other educational and academic exchanges to which they may both agree. If necessary, both institutions shall separately make and enter into an appendix with regard to an exchange of students etc. under mutual agreement.

**II. Financial Matters**

This MOU imposes no financial obligation on either institution.

**III. Intellectual Property Rights**

This MOU shall not be construed as any transfer or assignment of intellectual property rights between the two institutions.

**IV. Data Protection**

Both institutions agree to collect, process, use, disclose and otherwise manage

personal information only for the purposes set forth in this MOU.

Both institutions agree to ensure that personal information is not used for any purpose other than that for which it is collected.

## V. Terms of Renewal, Termination, and Amendment

This MOU shall commence from the date of the last signature.

Either institution wishing to terminate this MOU shall notify the other institution in writing at least twelve (12) months prior to such termination. Such notification shall not affect the status of students and researchers who have already been accepted for programs initiated prior to such termination.

This MOU shall remain in force for five (5) years from the date of its commencement. This MOU may be amended at any time by an exchange of letters between the two institutions. Such amendments shall become part of this MOU once approved by both institutions.

## VI. Miscellaneous

This MOU records the understanding between the institutions and is not intended by the institutions to be a legally binding document and will not be enforceable in any court of law. Legally binding written appendices between the institutions will be prepared and signed as and when required to cover the specific activities anticipated by this MOU.

Any questions of interpretation arising out of or in relation to this MOU shall be resolved through mutual and amicable discussion and negotiation in good faith between the two institutions.

This MOU is drawn up in duplicate in English. Each institution shall retain each one (1) copy.
