Subject : Nomination of Thai candidates for the Zawacka NAWA Programme 2025/2026

Dear Sir/Madam,

The Embassy of the Republic of Poland in Bangkok presents its compliments to the Ministry of Higher Education, Science, Research and Innovation of the Kingdom of Thailand and has the honour to inform you that the Polish National Agency for Academic Exchange (NAWA) has granted four (4) places for Thai students and academics to participate in the Zawacka NAWA Programme for the 2025/2026 academic year.

This prestigious programme offers a valuable opportunity for scholars and students to engage in academic exchanges and research in Poland, thereby further enhancing academic collaboration between our two nations.

Comprehensive details regarding the programme, including eligibility requirements and application procedures are available on NAWA's official website under the section pertaining to international cooperation and academic exchange.

In this regard, the Embassy respectfully request that the Ministry nominate four (4) eligible candidates to participate in the programme. Nominees should be selected based on their academic achievements and their potential to make meaningful contributions to the fields of science, research and innovation.

To facilitate the application process, the Embassy kindly request that the list of nominated individuals be submitted to the Embassy no later than Thursday 24th April 2025. The Embassy will provide necessary assistance with arrangements for the selected candidates, including facilitating their application to NAWA.

Should you require further details or wish to discuss the matter at the working level, please feel free to contact Mr. Patryk Gowin, Counsellor at the Embassy, at patryk.gowin@msz.gov.pl or +66 81 843 1418

The Embassy of the Republic of Poland in Bangkok avails itself of this opportunity to renew to the Ministry of Higher Education, Science, Research and Innovation the assurances of its highest consideration.

Sincerely,

Monika Krzewicka

POLISH NATIONAL AGENCY
FOR ACADEMIC EXCHANGE

Zawacka NAWA Exchange Programme

2025/2026

Purpose

The aim of the Programme is to deepen international academic cooperation through the arrival of students, doctoral students, academic teachers and scientists to Polish higher education and science institutions, on the basis of international agreements concluded between Poland and the partner countries indicated in the announcement. Moreover, the stays will allow for improving the competences of participating representatives of the academic community.

The programme is implemented in cooperation with institutions from countries covered by the agreements, hereinafter referred to as partner institutions.

Thematic scope of activities implemented under the Programme

Visits are eligible under the Programme for the following purposes:

1. completing full or partial studies at universities supervised by the Minister of Science and Higher Education;
2. education at a doctoral school;
3. scientific stay, e.g.: scientific internship, study visits, obtaining materials for scientific work, conducting teaching classes at the host center, other forms of scientific or academic activity related to the implementation of studies, doctoral thesis or scientific work.

The programme is open to students, doctoral students and employees of universities and research institutes representing all fields of science, unless a given international agreement provides otherwise
