We have received your signed copie of MOU sometimes ago. However due to Movement Control Order (MCO) enforced by Malaysian government to deal with COVID-19 pandemic, all institutions of Higher Learning including AIMST University had closed operation since 18 March 2020.

Now under the current phase of Conditional Movement Contro Order (CMCO), I am able to reply your letter on MoU between Faculty of Associated Medical Sciences, Chiang Mai University, Thailand and Faculty of Allied Health Professions, AIMST University, Malaysia.

On behalf of mangement, I would like to record our appreciation for considering our request for academic and education collaboration between both parties.

We are looking forward to discuss and initiate the cooperation once our MCO is lifted and the global COVID-19 pandemic including both our countries situation has improved.

I attach one copy of signed MoU for your perusal.

Thank you very much indeed.
