

## **Memorandum of Co-operation**

**Between**

**The Faculty of Associated Medical Sciences**

**Chiang Mai University**

**And**

**Department of Virology I, Department of Bacteriology II, Department of Pathology,**

**Department of Immunology, Department of Veterinary Medicine,**

**Department of Mycobacteriology,**

**National Institute of Infectious Diseases**

This Memorandum of Co-operation (MOC) is between:

The Faculty of Associated Medical Sciences, Chiang Mai University, Thailand;

AND:

The Department of Virology I, the Department of Bacteriology II, the Department of Pathology, the Department of Immunology, the Department of Veterinary Science, and the Department of Mycobacteriology, National Institute of Infectious Diseases, Japan.

Hereinafter individually referred to as a "Party" and collectively referred to as the "Parties".

The Parties have hereby entered into this MOC to foster international co-operation in education and research that helps the Parties to extend and strengthen their scientific exchanges, to enhance mutual value, and to cultivate a better understanding among their people.

1. Both Parties agree to encourage the following activities, in particular to promote international and academic cooperation as follows:

- (1) Exchange of faculty members, research scholars, and students;
- (2) Joint research activities and meetings on education and research;
- (3) Exchange of materials and technologies in education and research, publications and academic information;
- (4) Cooperation in graduate curricula.

These activities will focus on special topics as follows:

- a) Biomedical Sciences;
- b) Immunology, bacteriology, molecular biology, biochemistry, infectious and tropical diseases;
- c) Pharmacology, vaccine development and developing techniques and diagnosis in infectious research and immunology.

2. This MOC shall be effective as of the date of signature by each Party. Any changes to the MOC including amendments or termination shall be effected after the Parties have reached a mutual agreement.
3. The Departments and the Faculty acknowledge that in the absence of any specific agreement to the contrary, all expenses arising out of this MOC including salary, travel and living costs, shall be the responsibility of each institute or university.
4. The parties agree that this MOC should be reviewed approximately every five years in order to evaluate the progress and to improve the quality of the exchange.
5. This MOC will be automatically terminated in the case of no activity for two consecutive years.

On behalf of

For Faculty of Associated Medical Sciences,  
Chiang Mai University

  
Professor Dr. Sakorn Pornprasert

Dean

Date: 24 JUL 2020

For the Department of Medical Technology,

  
Associate Professor Dr. Sawitree  
Chiampanichchayakul

Head

Date: 24 JUL 2020

For the Department of Mycobacteriology,

  
Dr. Manabu Ato

Director

Date: 14 SEP 2020

For the Department of Immunology,

  
Dr. Yoshimasa Takahashi

Director

Date: 14 SEP 2020

For the Department of Bacteriology II,

  
Dr. Keigo Shibayama

Director

Date: 14 SEP 2020

For the Departments of Veterinary Science,

  
Dr. Ken Maeda

Director

Date: 14 SEP 2020

For the Department of Virology I,

  
Dr. Masayuki Saijo

Director

Date: 14 SEP 2020

For the Department of Pathology,

  
Dr. Tadaki Suzuki

Director

Date: 14 SEP 2020

Witnesses

Chiang Mai University

  
(Clinical Professor Niwes Nantachit, M.D.)

President

Date: June 24, 2020

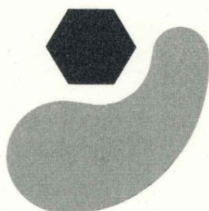

Witnesses

National Institute of Infectious Diseases

  
(Dr. Takaji Wakita)

Director-General

Date: Sep 14, 2020

**National Institute of Infectious Diseases**

Chiang Mai 50200 Thailand

Subject: Memorandum of Cooperation between Chiang Mai University and NIID, Japan

Dear Dr. Chidchamai Kewcharoenwong,

First of all, thank you very much for your support extended to us so far for the collaborative research.

I am writing this letter regarding the MOC between Chiang Mai University and NIID for the collaborative research activities. As agreed, kindly find enclosed original MOC with the signatures appended to be retained at your side.

Should you have any questions please be frank to let us know.

Yours faithfully,

Ryusuke MATSUOKA, D.V.M.

Director
