3. Number of students your institution can nominate for 2025-2026

We'll send you this information in a separate email.

From this time, we've established the number of students your university can nominate based on the balance of inbound-outbound exchange

We look forward to your application. If you have any questions, please don't hesitate to contact us.

*If you're not in charge of student exchange, please forward this email to the person in charge.

Best regards,
YAMADA Kanami
